

Welcome to ECO COUNCIL

Meeting 2

28th November 2023

What does the Eco Committee do?

- We drive change and improve environmental awareness in our school, local community and beyond.

Who's in charge?

- **YOU ARE!**

- (our first task is to have a photo!)

Our Action Plan

Actions	How will we do it?	Who?	How often?	How will we know we have been successful?
1. Decrease litter	Litter picking Add more bins Specific labelling on bins for recycling	Eco committee	Litter picking once a week. Make bin labels by end of term	There will be a decrease in the amount of litter on school grounds.
2. increase the biodiversity of the school environment. (plants and bees)	School flower meadow/garden. Plant using recycled containers. We will complete a survey to show what wildlife and plants are in school grounds already.	Eco committee Supported by Mr. Jones (estate manager)	Ongoing	There will be more wildlife in the school grounds – this <u>wil</u> be shown in our survey at the end of next year.
3. Decrease energy waste	Posters Remind our teachers to turn off lights and technology when not being used.	Eco committee Supported by Mr. Jones to help us understand our energy bills.	Energy monitors once a week.	Our energy bills will decrease!

Let's make a word cloud!

- [Free online word cloud generator and tag cloud creator - WordClouds.com](https://www.wordclouds.com/)

Activity: Our Eco Promises

1. Cut out a leaf shape from paper.
2. Think of 1 thing you can pledge to do to help us with our targets this year. E.g. 'I promise to remind people to turn the classroom lights off' or 'I will take part in litter picks in the playground'.
3. Write this onto your leaf.
4. Punch a hole in your leaf and thread some wool through it.
5. Tie your Eco Promise to our tree!
